## **SB 2336 - HB 2243**

February 12, 2000

**SUMMARY OF BILL:** Provides for the restoration of citizenship rights to persons convicted of infamous crimes (felons) without a court hearing upon obtaining a certificate from the sentencing judge, the board of probation and parole or the incarcerating authority upon meeting the following conditions: (1) successfully completing a least one year of any period of probation; (2) being granted parole; or (3) being granted final release from the term of incarceration to which the person was sentenced.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase State Expenditures - \$25,000**

Estimate assumes the Board of Probation and Parole will have a significant increase in responsibility to issue the certificates to persons upon the completion of one year of probation or being granted parole, which will require one additional position. The other issuing authorities will not require additional resources.
